No. 253 Genl

Office of the Chief Commandant,
Mysore State Troops,
Bangalore dated 12th July 1916.

From

Colonel.J.Desaraj Urs C.I.E., M.V.O.,
Chief Commandant, Mysore State Troops, Bangalore.

To

D.M.Narasinga Rao Esq.B.A.B.L.,
Secretary to Govt of H.H.the Maharaja
of Mysore General Department,Bangalore.

Sir,

I have the honor to state that the grant of leave to the combatant ranks of the Imperial Service Lancers (& Transport Corps) is regulated by the Standing Orders. In the case of the Local Service Regiment and the Infantry, Government have issued special rules -- embodied i-n Government Order No.G.5063-4/Mily.150-14 dated 20th October 1915. Similar rules applicable to the followers attached to the several units do not exist at present. I have therefore -- drafted the accompanying set of leave rules prepared on the lines of paras 271 and 272 of A.R.I.Vol.II.

2. As it is intended to make these rules applicable to the followers of all the Mysore units both Imperial Service Troops and the Lo-cal Cavalry and Infantry, I consulted the Inspecting Officer in the matter and he considers that the draft is allright.

3. I request therefore that you will be so good as to -- obtain the approval of Government to the above leave rules being brought i-nto effect at an early date.

I have the honor to be,
Sir,
Your most obedient servant,

J Desaraj Urs

Colonel.
Chief Commandant,
Mysore State Troops.

(14

Note (2) Individuals on leave without pay for more than one year shall forfeit their past service and also their lien on their appointment.

3. Extensions of leave

No extensions of leave can be granted except on Medical certificate in which case only half pay will be passed for the whole period from the commencement up to a maximum period of six months.

4. Authority to grant leave.

The Commandants of regiments can grant

(1) Casual leave

(2) Leave without pay up to extent admissible.

All other cases to be referred to Chief Commandant for -- orders.

Note. The Superintendent Military Stores, the Superintendent Imperial Service Transport Corps Workshops and officers Commanding Detachments are empowered to grant casual leave only; all applications for other kinds of leave to be --- referred to the Commandants concerned for orders.

5. Followers on non-pensionable Establishment

Establishment will be allowed only 20 days casual leave and leave on Medical certificate without pay up to six months only.

6. Sundays and Fridays in Regiment and Sundays and other Gazetted Holidays in the Military Stores and Imperial Service Transport Corps Workshops will be obeserved as holidays.

himself even to officers in his I.S. Regt (vide para 262 of Standing orders)

incorrect; under this para the Commandant has to report for Chief Commandant's orders.

(1) All cases of leave to Officers.

(2) All cases of sick leave.

The exception empowers the Commandant to grant short leave to Officers. Cases of sick leave do not go under the exception.

3. With reference to para 3 of your letter under reply I should explain that the maximum of 6 months is fixed as the limit upto which half pay may be given to the individual on sick leave vide Para 271 of the I.R.I.Vol.II; but if any additional leave is required there is no objection to such leave being granted without pay.

4. I may here point out that para 271 of A.R.I.Vol.II referred to above makes an exception of persons subject to Civil service Regulations. As no such exception is intended to be retained in the case of the followers of the Mysore Army the rules which are found to be suitable to the British service may not be found to be hard in Mysore.

I have the honor to be,

Sir,

Dear Sir,

10/5-18 17
SECT C'T

Reference:-Your D.C.letter No.C.T1937/Mily.41-16-A dated 3rd March 1917.

The revised draft of leave rules to followers received with the above seems to be all right except in regard to the undermentioned points.

Rule II Sub-Para iii

As revised the rule seems to permit a follower to have any amount of sick leave without limit though after six months he may not claim half pay. It is very desirable that a limit should be fixed for sick leave say one year at most. It is a hardship especially in case of the temporary substitutes who fill up the absentee's place. The following addition may be made at the end of the Sub-para viz "up to a maximum of one year". Similarly to Sub-para IV should be added the following proviso at the end and also the note below;" provided that when ---- combined with any other kind of leave the total period shall not exceed one year."

Note This leave shall not be granted to persons who have had leave without pay for periods aggregating 3 months or more during the previous five years of service.

The other rules are all right.

2. With reference to the second para of your D.C. letter I should say that the object is to give the Commandants of Regiments a few simple rules for guidance in lieu of their having to refer to the Mysore Service Regulations.

Further as several of the Followers are attested
